Hi
Just heads up, Jeffrey said he would not leave NY before 7 PM Saturday, not sure where,
        Palm Beach or LSJ undecided yet
Thx
Larry

Pete is planning to have the 550 gear completed by Friday night, if all goes well.,

I'm planning to use Darren and myself for the G550 Teterboro departure this
        weekend.

Thx
Larry

_____

On Friday April 5th starting at 2200 local (0200Z) thru Saturday April 6th 1000

local (1400Z) the Teterboro Airport KTEB will be closed to fixed wing aircraft. This closure is required for electrical work in the intersection of runways 1/19 and 6/24. As always the closure is weather dependent. Be sure to check current NOTAMS
