8a is now empty if anyone wants to clean it. All our stuff is on 10F. We are leaving around 2 pm or so.

Hello Lawrence,
Hope you are having a good day!

Our people checked the fridge and the freezer doesn't work indeed.
It could be only fixed on Monday..

Please tell us if you need a freezer while you're staying in 10F, I would happily get you a new freezer.

Sorry about that!

Would it be possible for our manager to check it out without disturbing you?

What time would be good?
