Look forward to hearing back from you in a couple of days.

Hi [REDACTED]

Sure, Saturday works - late morning to mid afternoon best, can be flexible.

However, I am trying to see if/when Gregory Chaitin (mathematician, contributor to our "Breakthroughs" series) can come, as Jeffrey requests. If so, let's see what time works for Greg (he lives in Brazil and is coming to attend a conference). If Greg can make it, I can come a little earlier to discuss private matters with Jeffrey. If Greg cannot make it Saturday, then the above times for me.

May take a few days... Greg lives in Brazil, and, well, he is a *mathematician*....

Best regards,

Robert

Hello Robert. Hope you are well. Jeffrey says you will come see him at his home in New York on Saturday April 6th...what time is good for you?

Jeffrey's home address (as a reminder!) is:

9 East 71st Street between 5th and Madison

Let me know!

Thanks,
