Good question. I really don't use anything specific. Any eye cream i have i use.
However my girlfriend just told me

something she loves. I will ask her cause
I'm thinking I'd like to try something too.
I'll let you know.
I just try to be very gentle whenever I apply
makeup or put lotions around my eyes.
Never press too hard. ...LOL

Every other day for
the wipes. Every
morning and night
for the vitamin c.
You need to be
religious with it
though to see a
difference!! Just
make it part of your
routine.
