Subject: Re: Any ideas on JE?

Hello Lesley, sorry for the delay, I just landed in Miami, I swapped with Bill Hammond, so I have Dave running the rest of the trip, the tentative plan is Jeffrey to fly to Nice tomorrow, then Sunday the 31st to the island, then come to New York around April 4 or fifth, however somethings have changed and I'm sure Jeffrey will update the schedule shortly, this is all I have right now I will keep you posted thanks Larry
