Patrick and Hubert are now at John Barrett Salon on 57th across Four Seasons

I spoke to Fekkai salon and they of course are hoping you will continue to do business with them...they gave me the names of stylists and colorists you may like to try out...even said they would be willing to give discounts for trial runs. I spoke with Emily, the front desk manager. Below names she gave me:

Colorist: Lori, Chloe

Stylist: Michael, Sandra
