Hi [REDACTED], So nice to make your acquaintance, I would be happy to keep an eye out and to set up a call to go over your interests and direction. Lets set up a call at a time that mutually aligns and we can discuss your career path. Let me know when you are free to discuss and to set up a call. Thanks Lesley.

Best,

Hi Russell. [REDACTED] [REDACTED], a good friend of Jeffrey's, is looking for a new career in Fashion Merchandising, Buyer, etc...she has been a personal assistant and travelled as a personal assistant with Jeffrey...I wanted to pass along her resume and ask if you might have any possible placements in this sort of career?
[REDACTED] cell is [REDACTED]. She is cc'd on this mail as well. Feel free to reach out to her ...or if this is not an area you work with, perhaps you would know of someone else she could speak with? I've personally worked with her and find her extremely hard working and eager to learn. Thanks and hope you are well,
Lesley
