Dear [REDACTED]

Sorry, saw this just now. I will be leaving the apartment at 4pm.

I had a great stay and am very grateful for that! Some things I noted for housekeeping though:

- One of the LED lights in the entrance and several of the lightbulbs in the lamps in the living room need replacing.
- The fan in the bathroom has become very asthmatic and should probably be fixed.
- The towel bar in the bathroom is a bit loose on one side.
- The power outlet in the bathroom has a crack and should probably be replaced.

Bests, and kind regards,

Joscha
