**Subject:** Possible flight for Karyna

then check availability for karyna from milan to miami Sunday April 14, non stop, is upgrade available on flight? Price for biz seat and can we upgrade if we buy Economy upgrade with points? Karyna is currently holding a ticket to fly from Paris to New York on the 15th. We would just cancel that (I believe I bought fully refundable. ) This would be a new ticket from Milan to Miami for her
