Subject: [REDACTED] flight Cancelled!

[REDACTED] Justina's direct flight was cancelled on Scandinavian Air ...the airline has rebooked her on a CONNECTING flight departing same evening (May 1st) as original flight... We could ask for a refund from Scandinavian Air and re-book her on a direct flight on Norwegian Air (\$1001.70 per a ticket). The Norwegian direct flight is evening of May 1st also

Please advise if [REDACTED] should just take the **connecting flight** or rebook a **direct flight** for her.
