ok, let me get permission from Jeffrey to purchase new tickets on direct flight...I will come back to you.

Linda called for me to Scandinavian Air, and she said:

Per Eric at SK, they can get a refund on the portion that they did not take should they decline the protected flight processed through their Refunds Department. Nothing has been changed at this time.

Looks lie flight was cancelled by the airline and they were rebooked (by the airline, I don't even have control
