Morning Stephanie. I know you added me to your calendar but it is too cumbersome for me! I have a million reminders and appointments in my calendar already and probably don't need every tiny detail for the island! Would it be possible for you to send me an email with only the most important or pertinent items you think should be included in Jeffrey's itinerary? I'm sure we can find a way to do this. ...I usually remind Jeffrey 2 weeks out of pertinent things. Then again day before or day of. Will the Cabana countertop install take place May 11-13 still now that Jeffrey changed his schedule again?
