HI Daphne...just a reminder I will be on holiday April 14-21! Jeffrey will be in NY from April 16-19 however, so I will only transfer the phone line to STC for April 15...after that, Julia will be sitting in for me at the house. I will forward the line to the house.

My auto email will direct people to email you if they need something...keep me in the loop like you always do!

Thanks again, [REDACTED]
