Hi, [REDACTED],

Thanks so much for reaching out. I know Anna has done some shopping for restocking in the last week while I've been away, so she might need to add or edit the following, but I believe we still need the following:

- 12 horse hair brushes
- 12 combs
- 12 motion sensor lights
- 12 dimmer light switches
- 24 remote control light switches (the kind you plug into the outlet and control with remote)
- 12 outlet converters (European to U.S.)
- 2 good household vacuums
- Lots of Single packaged toothbrushes (the kind JE likes)
- Eddie Bauer crew neck (not V neck) tee shirts size Large
- 12 binoculars
- 8 small white digital clocks for bedside tables

Thank you so much!

Hi Stephanie and Anna...Jeffrey is asking if we need to buy anything for the island today! If so, let us know right away so we can send Jojo/Merwin/Leo out to gather anything you need!
