Hi Natasha. Can you please give me the price on a fully refundable premium economy round-trip ticket you show below for James Virgin outbound Delta return. I believe you have to price it as two separate tickets?

Lionel will book his own travel. You do not need to proceed with his flights round trip NY...please only give me an option from Miami to NY on June 5th early evening around the same time we can get a flight for James to London. Keep this on a separate ticket for them ...we might purchase fully refundable fare. Price for biz and economy (or premium economy if it exists)

(I do still need the flights for James Cooper)

thank you! [REDACTED]
