Hi Lorenzo,
Have you seen the email and calendar invite for our call in 1 hour?
6 pm French time.

Can you make it ? Jeffrey may not be available for the rest of the week and the round was supposed to be closed last Friday.
Hope you can make it.

Thanks a lot.

Warm regards,
[REDACTED]

Hi all,
Thank you. Pleasure to e-meet Lorenzo. Jeffrey is cc'ed. We plan to invest as angels in Medici bank with few friends of Brock.

Lorenzo, when is a good time for you to have a call with Jeffrey, [REDACTED] and myself in the next days ?

Jeffrey is on East Coast. [REDACTED] and myself are on EST until Monday, then on CEST.
Lesley can help to coordinate the video call.

Would Sunday or Monday until 12 pm EST work for everyone ?

Kind regards,

[REDACTED] & [REDACTED],

By way of cc, I introduce you to Prince Lorenzo de' Medici, my business partner/co-founder. I am using both personal and work emails as we have just setup the work email and, since Lorenzo is traveling, IDK if he has that working fully yet. Please make the introduction to Jeffrey.

Also, you may recall Jeffrey and I arguing over FX rates on cross-border payments...where big-money movements would be low cost but typical small business movements (our clients' clients might normally wire \$10k or \$20k) are subject to expensive retail rates. See attached excerpted pages (somewhat redacted for confidentiality purposes) done by Glenbrook Partners for a couple of banks recently (12 months ago). Perhaps useful to Jeffrey to understand why we consider cross-border payments an opportunity.
