Hi.  
Yesterday morning he called to yet again to reschedule for Thursday or Friday. Once he starts hanging the gates the work will take two to three days.  
Tomorrow the second beach well for the desal unit on

GSJ will be going in along with the brine outflow well.  
That work will be two to three days.

Hi Mike. Will the welder come today? Has he  
confirmed? You had said he would come Wed or Thurs.  
let us know. Thanks. [REDACTED]
