OK. It would be helpful if the credit card used at a hotel is the credit card that is shown the front desk along with ID. let me check out the price now on the hotel she wants. I'll get back to you

Yes, she has AMEX card and I can give you account when in the office. I just keep her limit low as authorized by JE, but can increase for the authorized purchases.

Thank you,  
Bella

does [REDACTED] have a credit card she can use?!  
so many of these hotels do not accept 3rd  
party payment and especially don't like doing  
it less than 48 hours in advance...she wants  
this other hotel...if I can't prepay, she can

pay? I can send you the confirm so you can see the total...
