no worries, but please KEEP Alarm OFF until you hear back from me....also, I received a call from the doormen and we must move your mounds of packages to your apartment...they do not have anymore room to keep them stowed. I will have them taken up to the apartment around 5:30pm by Leo and Merwin.

Hoping we can get someone there and have the apartment exterminated as planned, but will take longer today than normal. When do you plan to come back to NY? Might you know?
