Greetings L,

I think this arrangement will be fine since each man will have his own personal space. I am just happy we were able to obtain the unit on our own :) DW

Hi Daphne...yes, I really think they will be more than fine. If they stayed at the hotel it is possible one could get a king room and the other 2 queen beds...its really the same they just have a kitchen in between them. The queen bedroom bath is not attached to the room, the man will have to exit his room to enter the bathroom where as the king is an ensuite (bath inside the bedroom) but again, I think It will be fine...what do you think? I can always ask Jeffrey also...but I don't think he cares that much

Greetings L,

Please see attached. One bedroom has a king bed, the other a queen bed. Your thoughts?
