Hi Mr. Epstein! I actually spoke to Dr. Watson recently. You know he had a bad car accident in the fall and was recovering for several months... On top of that, the situation with the Cold Spring Harbor Lab after the PBS interview came up at the beginning of the year... His voice sounded a bit different (maybe because of the accident), and I think he's trying to stay positive. I'm not sure if you have his number, but just in case you don't, this is his home phone: [REDACTED]

Hope to see you soon, Mr. Epstein!

Your Friend,
Charlie

Dear Lesley and Mr. Epstein,

Just wanted to send you both a quick "hello!" Hope you are both doing great! I'm keeping busy "twinkling those ivories" as they say. Tomorrow, I'll be down in San Jose for a quick concert, and then over in Bergen, Norway for a couple later this month.

In July, I'll be in Newport, RI for a couple concerts in case you're in the area (July 21 and 24, for a chamber music and solo concert, respectively).

Hope to see you soon! Thank you again for your wonderful support.

Your Friend,
Charlie
