Hi Kathy. I have ordered your Peloton Bike! You will receive an email in the next couple of days to organize the delivery and set up. Please do let me know when you receive the email and when you will have the bike delivered. Jeffrey wanted me to pay for a year membership, but unfortunatley it is not offered...only monthly. So we will go month to month.

Thanks! Lesley

The building doesn't allow deliveries on weekends, so M, T, Th or F during the day, (I work on Wednesdays).

Ok on shoe size and 1 lb weights. The delivery includes set up so you will need to be present. I can see if they are available evenings or weekends ... ?

My shoe size is 9 1/2, since they don't have half sizes let's go up to 10. Not really ready for weights, as low as possible. Do you know how big/heavy the box is? That might determine the delivery to my building.  
Thank you....

GREAT! I have several friends who own the Peloton  
and are completely addicted! you will love it! So  
sorry to hear about fracturing your neck though! Does  
not sound good...  
To confirm your address:

185 West End Avenue, Apt. 11E  
New York NY 10023

Do you have a doorman? I think you will need delivery and set up so will  
need to coordinate ....let me look into this!

Hello Lesley,  
I've been wanting a Peloton bike for a long time and it was very  
thoughtful of Jeffrey to remember. That  
would be an amazing birthday gift  
especially now since I fractured my neck  
in two places and my doctor recommends  
exercises that keep my cervical spine  
stable. No more jogging, tennis, or  
dancing for a while :-(

but the stationary bike will be perfect.

Many thanks,  
Kathy
