takes [REDACTED] 3 emails for mike and or stephanie to answer - but thoroughness is working...  
it appears all days promised by mike for this week was BS...

Hi.

Yesterday morning he called to yet again to reschedule for Thursday or Friday. Once he starts hanging the gates the work will take two to three days.

Tomorrow the second beach well for the desal unit on GSJ will be going in along with the brine outflow well. That work will be two to three days.
