Michael,  
Just to confirm, we have  
received all the information.  
We forwarded some of it to the  
folks at Center Marine and our  
in house electrical folks have  
looked at it. The next step for  
us is to come down and take a  
look as you suggested. I'm  
getting our schedules together  
now and will be back to you  
shortly to work out timing that  
is good for you.

Thanks again for sending.
