Hi [REDACTED] How does this Monday, June 3rd work? We would travel down on Sunday giving us all day Monday and Tuesday morning, returning to Miami on Tuesday afternoon. It will be myself and one of our electrical engineers as we need to review existing facilities at the site(s). This should be enough time.

Let me know and I will book travel arrangements.

Michael,
Just to confirm,
we have received
all the information.
We forwarded
some of it to the
folks at Center
Marine and our in
house electrical
folks have looked
at it. The next step
for us is to come
down and take a
look as you
suggested. I'm
getting our
schedules together
now and will be
back to you
shortly to work
out timing that is
good for you.

Thanks again for sending.
