Hi Lesley. How does this Monday, June 3rd work? We would travel down on Sunday giving us all day Monday and Tuesday morning, returning to Miami on Tuesday afternoon.

It will be myself and one of our electrical engineers as we need to review existing facilities at the site(s). This should be enough time.

Let me know and I will book travel arrangements.

Thanks Leslie. It's looking like next week. We had a few commitments to clear out and also to give everyone a chance to review the docs. I will get back to you today with some dates.
Thanks again.
