Hi Lesley,

I see. Thank you tickets look good I just resent them to my [REDACTED]

Lesley sorry I am still working on the hotels options. I don't really know LA at all and been there briefly. I am meeting my friend later tonight who lived and knows LA very well. i want to ask her advice on what we can do there and restaurant recommendations and etc and I want to ask her about the hotels as well. because I don't now exactly what location would be best strategically for us so before I book anything I would like to consult with her. I will get back to you on that.

Thank you!

I think the entire trip will be a bit pricey no matter how you slice it. You are sweet to be concerned and we did get the price down so that is good! I have issued the tickets and will send them next. Please let me know 2 hotels you would like to stay at so we can start working on them! :)

Hi Lesley,

Thank you very much! yes, everything looks great in terms of name and dates. The only question I have is in terms of financial part, Jeffrey is so kind to do this all for me but I want to be mindful of the travel cost and etc... Do you think if they flew first to NY and then to LA would have been that cheaper? because its really doesn't matter whether we fly first to LA or to new york but I just want to throw it out there as an option if the price difference is significant!
