Yes and I was actually the one that called the locksmith. Please let me know the time for when I can go so I can check the lock myself.
Thank you

HI Merwin...we need to change the code to apt 10F
tomorrow...something happened to the lock and Anna Lang had to
call a locksmith to help her get in to the apartment...she says the
locksmith will go back again tomorrow to change everything out...
we should have one of you be there to help monitor/facilitate...I have
asked Anna what time the locksmith intends to come tomorrow...will
keep you posted.
