Hi Ann,

Thanks. I think you will prefer the white backing. The quote is the same as the one I sent to you earlier this week. That is the best price I can do. See the full quote below in the email dated June 3.

The total price (shipping is free) is \$9,726.84

I also want to confirm that you do not need any rods for these drapes. Based on the photos you sent it looks like you already have the correct type that will work with these drapes.

I can get this order placed for you today if you like. I just need someone to call me at the number below with your payment info and to verify the shipping address.

Thanks!

Hi TJ,

Black drapes with White backing sounds good. Our existing drapes have a white backing and the sun light didn't shine through.

Please send me a quote asap for Black drapes w/White backing and our requested quantity & measurements. Thank you so much TJ :)

Thank you,  
Ann R.

Hi Ann,

Thanks for getting back to me. The most common blackout material ordered is the White. It's completely hidden from view once the drapes are installed and I think one reason it is preferred is that it reflects the light away from the window, etc. The Black material also works well but since it soaks up the light they tend to get very hot if they are in front of a large, sunny window.

The blackout effect should be the same regardless of which color velour you choose for the actual panels.

The Black velour is popular but there are also other darker colors to choose from.

If you go to the page and scroll down a bit you will see the 12 different colors available for these drapes. So I would suggest choosing the color you like best since they will all be effective in blocking out the light.

If you decide to place an order the lead time is going to be about two weeks. I would need someone to call me at the number below with your payment and billing info.

Thanks!

TJ

Not to worry, Thank you for the Quote on the drapes.  
Is there a big difference between the White backing vs the Black backing?  
Will the room be extra dark with Black Drapes & Black backing?  
Does the White backing give off a shine or a glow from light?

I would really like to place the order asap.

Thank you,  
Ann R.

Hi,

Sorry for the delay getting back to you. We are still trying to see what the shipping costs would be to the U.S. Virgin Islands. It could be very expensive. We are trying to get some approximate weights and dimensions of the packages from the vendor and then we need to get a quote from DHL. Our vendor cannot ship outside the US. Below is the best pricing I could do on the drapes. These are based on your specifications. You would have any of the color options listed on this page (scroll down to see the colors):

<https://www.htmarket.com/qush3760inbl.html>

These prices are for the curtains only. There are no rods included:

| HTmarket.com Shopping Cart  |  |
|---|--|
| Item  | Options  |
|  Quick Ship 37- 60 Inch Black Out Lined Superior Home Theater Curtain [remove]  | Height and Fullness : 95-112 Inches 1<br>Opening : One Way Draw<br>Color : Black<br>Exact Height in Inches : 108"<br>Exact Width in Inches : 48" |
|  Quick Ship 37- 60 Inch Black Out Lined Superior Home Theater Curtain [remove] | Height and Fullness : 127-144 Inches<br>Opening : One Way Draw<br>Color : Black<br>Exact Height in Inches : 135"<br>Exact Width in Inches : 48"  |

The "blackout" material on the back of each panel can be ordered in either white or black.

I hope to have a shipping estimate for you soon. Please let me know if you have any questions.

Thanks,

TJ Wall
