ok got it! Let's keep the departure at 8:11am on Jet Blue#6. You will arrive Newark at 11:06am. Get an Uber and come to Jeffrey's house (9 East 71st Street, NY, NY 10021) I will send you your ticket again...!
thank you.

Hi Renato. I can't get you a ticket from Ft. Lauderdale on the 10th...you do not arrive Ft. Lauderdale until 11:09pm. There are no flights that late to NY. Jeffrey thought it would be easier if you just flew from Detroit to NY. **I need to either book you a flight FROM Detroit departing 6:29pm arrive Newark at 8:13pm on June 10 OR book you a flight from Ft. Lauderdale early June 11th to NY.**

What is best for you? I need to know As Soon As Possible. Thanks! and sorry to bother you while on your holiday!... [REDACTED]

Hi Renato...Jeffrey would like you to fly from Detroit to NY on
June 10th...would it be easier to
just do this vs flying back to Ft.
Lauderdale? you would have to
pack a carry on with clothes for
NY...but this poses another
question, do you have proper
clothing with you for work?
