Carlos, once the part is in (5 working days is June 5th) how long will it take to have the part installed? will they turn it around same day? Jeffrey will be

on the island from June 3-10...

Greetings all, I just picked up the Denali from dealership, they have ordered an a/c hose that had a leak, should be here in 5 days. A complete service was performed on it and rear brake pads were changed. as soon as the part arrives i will bring back to dealership for install. To follow i will send invoice.

Thnk you  
Carlos
