Okay:)

I think I'll be okay next week and e can go. I'll keep you posted about the tickets and the date.

Thank you:)

not super urgent but do connect with her as JE said she is lonely...just start discussing over email or text or call her and talk about what to see...

Hi [REDACTED]  
That sounds great!

How urgent is that? I got sick on the weekend and need 5+ more days to recover.

Or [REDACTED] could take [REDACTED] earlier?
