Hello Richard,  
Yes it did. We started this morning on the Cabanas. I do not have all the equipment but we have enough to start removing the old equipment, run refrigerant lines, remove duct work and replace duct work, install new condensers. all I'm waiting on is the air handler portion and I'll have them by the end of the week

Warm Regards,  
David Van Drieson

did work begin this week?  
if not please advise on time to begin and duration to complete  
thank you
