Subject: Please Send me your flight Details ASAP!

Hi Renato...where are you flying from on June 10th? Jeffrey is asking if it might be better for you to fly directly to NY on June 10th...are you with your family?

Please let me know where you are flying from and give me the details of your flight as soon as you can...

I just want to be able to tell Jeffrey the details. I am thinking you may prefer to stay with the family and fly to NY on Tuesday...but lets see...
