Greetings Sir,
Update from Boscoc:

The blankets that Metcalf fabricated are completed. Rather than shipping them to PR, the technician has packed them and will be taking them with him to PR tomorrow, 5/31. If all goes well, the installation will be completed in one day.

After the install of the blankets, there is some hydraulic work and other punch-list items for Big N, but she will then be ready to come home. Weather permitting, possibly Monday 6/10.

Respectfully,

Daphne

Hi Patrick & Carlos,

I heard Little C is going down to Offshore on Monday for services on the Lower Unit.

Did you or Carlos make arrangements with Carib Dream or any other Water Taxi for Monday afternoon 6/3?

Please advise,
Ann R.
