Thanks [REDACTED]. It's looking like next week. We had a few commitments to clear out and also to give everyone a chance to review the docs. I will get back to you today with some dates. Thanks again.

Michael,  
Just to confirm, we have received all the information. We forwarded some of it to the folks at Center Marine and our in house electrical folks have looked at it. The next step for us is to come down and take a look as you suggested. I'm getting our schedules together now and will be back to you shortly to work out timing that is good for you.

Thanks again for sending.
