You may: it is [REDACTED]. My cell phone generally reposes underneath my bed or gets itself lost in some obscure closet or runs down because I never charge it. Why not take down my landline, which never leaves my desk and does not ever require charging? It is [REDACTED]

Jeffrey's address is

The first door code is 2512...then the

Dear [REDACTED] --

I just got home. As Jeffrey might have told you, I am free almost all the time. The conference that I go to once a year is about the only time I go anywhere. Let me know when Jeffrey is free, remind me of the address and those infernal door codes, and I'll make sure to be there. With best wishes,  
D

Hello David.  
Might you be available to come visit Jeffrey at his Paris apartment sometime the week of June 16?

Please let me know what would work. If you could give a few options it would be great.

Thank you,
