Thanks [REDACTED] It's looking like next week. We had a few commitments to clear out and also to give everyone a chance to review the docs. I will get back to you today with some dates. Thanks again.

Michael,
Just to confirm, we have
received all the information.
We forwarded some of it to the
folks at Center Marine and our
in house electrical folks have
looked at it. The next step for
us is to come down and take a
look as you suggested. I'm
getting our schedules together
now and will be back to you

shortly to work out timing that
is good for you.

Thanks again for sending.
