We need to try and change Lionel Vilette's seat on tomorrow's flight from St. Thomas to New York. He's currently in the back of the plane. I can move him to the front of the plane Aisle seat if possible ...but if not he'll take any seat if it's closer to the front of the plane. All flights to Paris tomorrow night are sold out. So therefore he's going to remain on that 7:30 flight for the seat we can. Please let me know!!!
