Unfortunately Little C has to go on the 3rd we have been putting off an issue for 2 weeks now. The repair will probably only take a few hours. I have been trying to follow the barge status but regardless the service that is needed can not be put off any longer.

The last date that I heard was June 1st. That is why I scheduled Little C for service on the 3rd. If it is unavailable to assist with crew runs we may have to utilize Caribbean Performance ferry services or do multiple runs with Sportis and PRD. Sportis is scheduled to go in right after Little C to have the timing belts replaced.

Hi Patrick & Carlos,

I heard Little C is going down to Offshore on Monday for services on the Lower Unit.

Did you or Carlos make arrangements with Carib Dream or any other Water Taxi for Monday afternoon 6/3?

Please advise,
Ann R.
