So the place where they have to pick dad's passport opens at 9 am so I think it will be very risky to fly that day, the timing is too tight. So let's do as you offered. Fly on Monday morning from Ulan-ude to Moscow, stay overnight in there in a hotel (something close to the airport) and fly from moscow to la on Tuesday early morning.

What time they need to pick up passport in the city?

The thing is, traffic in Moscow that time will be horrible, so to make 2:25pm departure, they will have to be at 11:25a-12:25pm. So, depends what time they are picking up passports, I assume it is at the US Embassy, so

Distance from city to Sheremetievo airport is only 22 miles, but it takes at least one hour to get there.

No later flights from Domodedovo.

Direct flight from Moscow to LA is at 12:00, no way they will have enough time in Moscow to go to the city. Fly airport in Moscow. Latest connecting time from Moscow to LA is at 2:35pm, I still think it is not enough time, please advise (later than 2:35pm will be flight via China, I don't think they want to go back to Asia and fly to LA)
