Subject: Re: Please disarm alarm today

Hi [REDACTED],
Just saw your message and I disarmed. You can enter.
Thanks,
Nili

> Hi Nili. Could you please disarm your alarm today. The new battery for your
front door lock has arrived and we would like to install it. In order to do so we
must enter the apartment. Please let me know when you can disarm the alarm and I
will let you know once the job has been done. Thanks so much and hope you are
well [REDACTED]
