Hi Daphne,

I just wanted to confirm with you that the finished drape panels will be carefully packed, wrapped in plastic and shipped in standard boxes. We've ordered hundreds of drapes from this vendor and have never had a problem with shipping damage.

Thanks,

TJ

Greetings TJ,
The freight forwarder we use is Tropical Shipping [REDACTED] We already have an account with them. Thank you for the free shipping. How are the curtains packaged? We need to make sure they boxed so they do not suffer damage during the sail.

Thank you and kind regards,

Daphne

Hi Daphne,

If you are going to ship anywhere in the US, such as Florida, the shipping is free.

You would then be responsible for getting it to the Virgin Islands. We might be able to recommend a freight forwarding service in Florida so let us know if you are interested.

Thanks,

TJ

Hi,

Sorry for the delay getting back to you. We are still trying to see what the shipping costs would be to the U.S. Virgin Islands. It could be very expensive. We are trying to get some approximate weights and dimensions of the packages from the vendor and then we need to get a quote from DHL. Our vendor cannot ship outside the US. Below is the best pricing I could do on the drapes. These are based on your specifications. You would have any of

the color options listed on this page
(scroll down to see the colors):

These prices are for the curtains only.
There are no rods included:

 Quick Ship 37- 60 Inch Black Out Lined Superior Home Theater Curtain [remove]	Height and Fullness : 127- Fullness(+ \$469) Opening : One Way Draw Color : Black Exact Height in Inches : 13 Exact Width in Inches : 48

The "blackout" material on the back of each panel can be ordered in
either white or black.

I hope to have a shipping estimate for you soon. Please let me
know if you have any questions.

Hi Anna,

Thanks for contacting us. I tried to reach you this morning but I believe your phone number is for the U.S. Virgin Islands. Unfortunately our phones system here at the office will not allow us to call that number.

Can you please call me at the number below when you have a chance? I need to discuss the details of your drapery order and get you a price quote.

Thanks,

TJ Wall
