thank you for the kind offer James, but Jeffrey would like you to go on and see him at his home in NY. We will keep the car pick up as is.

Thank you [REDACTED].. If it is easier I would be happy to wait until Lionel arrives and then we can both go together to Teterboro.... Saves a trip for someone?

Hello James and Lionel. I wanted to pass along more details for your upcoming trip on June 3rd. Carosa will pick each of you up separately since you arrive at different times. James, you will be picked up at 11:55am and driven to Jeffrey's home at 9 East 71st Street in NY. Lionel, you will arrive at 12:43pm and be driven directly to Teterboro Airport (Meridian Aviation) where Jeffrey's airplane is parked.

You will stay at the Ritz in a 2 bedroom suite condominium June 3-5, (confirm #94893365). Jeffrey's drivers and boat captains will get you to and from everywhere....do not worry!

Jeffrey's Managers are cc'd here. Cell numbers for all below:
