Hi [REDACTED]
We just finished unloading all shipments from Tropical with the exception of the roller and the flat rack.
The tiki freezer, the new washers and dryers, the solar lights, thatch roofing, the GEI silt barriers and the gym doors and windows are on LSJ.

Good morning.

I just got off the phone with Shay about contacting Stanley who owns the big barge, Global Marine. She has, in the recent past been able to get Stanley to perform on Saturday mornings.

His # is [REDACTED] but rarely, if ever, answers. Shay has the benefit of knowing where he lives and also being on St John.

Since it appears our barge won't be ready until after June 12 we need to see if we can use Global Marine barge again. Who can I contact to ask about this? I know Shay Roberts helped. Do I ask her? Or who is Stanley? May I contact him? Would need his details. Thx.
