Greetings LV,  
I just spoke with Heather. Aaron and his  
crew will be on site Tuesday, 6/4 to begin  
the project. They should be completed by  
Friday, 6/7 or Saturday, 6/8.

Carlos, Arran's cell number is [REDACTED]. They will need access to  
the hangar when they mobilize. Arran is  
handling his and his crew's transportation  
and accommodations.

Kind regards,

Daphne

Greetings LV,  
I have a call in to Heather,

Aaron's wife who helps with the business. The materials should have shipped to STT. She is awaiting confirmation of that. I will get the tracking information from her when she calls and track it myself.
