melz. . we need answers of course you know. We can't prepare a counter unless we know the story. If he asks , which he will , did you have a romantic relationship with kin. What are you going to answer? If he says there were allegations that you had a romantic relation , ? What is your answer. A categorical denial? Did you travel toghther. ? let me make it clear. There was no romantic relationship. None zero. ...

It's not romantic at all. Steve is just as good of friends w him as I am.

Although right now I'd say steve and I are both disappointed in him

Was trying to think of a time where jim and i were ever even alone at work or in an office and I cant think of one - always staff around. My 1:1 always had chief of staff and usually the speechwriter or one of his PAs.

Never had adjoining rooms w him. Never went to a hotel room with him. Never spent the night at his house. He never spent the night at my house. Just never even a hint if anything unusual or out of work bounds.
