Thank you Larry!

<iv>It will actually be going to 301 East 66th Street, apt.8H. Is there a co=pany you normally use, that would deliver it to Manhattan when it gets to T=terboro?  
Just in case, the dimensions of the item are: L68" D:20"=H:32" + packaging.

Thank you again, this is a=big help!
