Hi [REDACTED]

Thank you so much for your help with my mom's issue. She now told me it might be better to do the surgery later, instead of December, since she feels that the healing process after her myomectomy is taking longer than she thought. I am sorry if I wasted your time asking for December dates. Also I explained to her what you told me about the 3D ripple tattoo and she agreed on that.

P.S. I hope your leg will recover soon and you will be able to wear dresses, especially with such beautiful legs!
