To whom it may concern,\  
please pardon my grammar as english is not my native tongue. When karyna asked me to provide a letter of recommendation. I hesitated as i do not write these letters normally,, howevefr in karynas acase, I will make an exception.. She was one of my promising students. she has a hard work ethic unuual for her age.. her attetnion to detail. was extraodinary , and at a young age , her determination, remarkale. I can highly reccooment her for any american school, but would hope that she would return and be one of our great dentists.

Dear Sirs,

It is with pleasure that i recommend karyna to your school.. I do this with joy. She was one of my best students. SHe came to class with an entusiastic attitude and accomplshed quite difficult tasks with a smile.  
Some students enjoy my class. , Karyna seemed to enjoy each part. SHe is a treat to have as a student as her questions are precise and her answers are well thought through.. I know for sure that she will do well in her field.  
OUr school is one of the best in the country and Karyna was one of our best studnet..s THank you for allowing me to help her with admissions.
